Welcome to Trust Drum Circles

Trust Drum Circles has been bringing people together through the transformative power of group drumming since 2022. Based in Northeast Ohio, we offer drumming experiences locally and internationally, with programs in Cameroon, Kenya, and Tanzania. Our mission is to foster connection, while empowering communities through shared rhythm, wellness, and the cultural preservation of African arts.

We have expanded our services to cater to a variety of settings, including wellness facilities, schools, youth programs, team-building events, and community gatherings. Trust Drum Circles creates dynamic, engaging experiences that make a lasting impact, helping clients build deeper connections and experience the therapeutic benefits of rhythm.

To continue offering FREE programs, we seek corporate sponsorships. Your support helps fund:
